

SKIN CARE

FACIALS

O2 OXYGEN 90

Deep cleansing invigorating facial that liquefies dead skin cells to provide total skin rejuvenation.

ANTI-AGING 80

Produces vibrant looking skin while correcting skin that appears older from photo-damage, pigmentation, or just being dull and tired.

BRIGHTENING 80

Ideal for dry/dehydrated, rosacea-prone, and sensitive skin. Vitamins A, C, and E nourish and protect skin while providing a healthy, hydrated glow.

ACNE 80

Acne, oily, or problematic skin is provided an extreme deep cleanse while exfoliating and eliminating excess oil and dead skin cells.

GENTLEMEN 80

Customized for a gentlemen's specific skin needs. A deep cleanse is followed by an exfoliating scrub and concludes with a cool soothing mask to balance and hydrate the skin. Also will alleviate shaving irritation.

TEEN 50

Customized 30 minute facial to meet all skin needs from excess oil to severe dehydration. Clears impurities underneath and on surface of skin. Includes extraction.

EXPRESS ADD ONS

ENZYME EXFOLIATION 35

Removal of dead skin cells by natural fruit acids.

CHEMICAL PEEL 50

Smoothing skin by removing damaged outer layers by Glycolic/Retinol or Lactic/Kojic acid blends.

MICRODERMABRASION 50

Manual exfoliation that aids in retexturing dull skin, reducing appearance lines and wrinkles, and promotes collagen production.

ULTRASONIC SCRUB 50

Removal of superficial scaly layers of skin using ultrasound to aid in elimination of pigmentation, wrinkles, acne, and impurities.

GALVANIC CURRENT 50

Softens and emulsifies sebum and compactions in skin follicles.

HIGH FREQUENCY 50

Germicidal effect on acne lesions for congested or oily skin. Also aids in penetration of antioxidants.

EXPRESS FACIAL 60

Customized facial that is perfect for anyone with a tight schedule.
